\* Revenues for 1996 are accounted on the basis of the new reporting standards. Accordingly, direct comparison between 1996 and other years should be avoided.

\*\* Does not include Digital, and in FY 2003, .65% of appropriation was withheld and later CPB received a supplemental appropriation.

\*\*\* Includes the satellite replacement fund.

\*\*\*\* State and local tax-based sources include revenue received from state and local governments and all tax-supported colleges and universities.

Legend: PB = public broadcasting; PT = public television; PR = public radio  
Source: Corporation for Public Broadcasting

**Note:**

**The amounts contained in Tables 1 and 2 include revenue from all federal sources (except digital appropriations) and reportable nonfederal revenue for public broadcasting under the Communications Act of 1934, [47 U.S.C. 397] as amended, in reference to nonfederal financial support (NFFS). Tables 1 and 2 do not include revenue from business related activities (entrepreneurial revenue), which is reported separately. Also excluded is the fair market value of volunteer services in order to keep consistency in historical trends in revenue.**
