

**RESOLUTION
PUBLIC SESSION
BOARD OF DIRECTORS
CORPORATION FOR PUBLIC BROADCASTING
WASHINGTON, D.C.
Monday, November 14, 2016**

unanimously

Resolved,

That the Board of Directors
of the
Corporation for Public Broadcasting
Expresses its Heartfelt Condolences
to the Family of

Allen Weatherly

Executive Director, AETN, 2001-2016
Member, Board of Directors, PBS, 2007-2013

We will long remember with gratitude Allen's years of service in public broadcasting.

For 23 years, Allen led the Arkansas Educational Television Network and worked to preserve the history, culture and heritage of Arkansas, increase education services to the state; tell the stories of Arkansas' World War II veterans through the "In Their Words" project; and produce award-winning programming.

Allen served on the board of directors of PBS, held leadership positions at the National Educational Telecommunications Association (NETA) and the Organization of State Broadcast Executives (OSBE), and contributed his expertise and wise counsel to two CPB Community Service Grant Policy Review Panels.

We share the sorrow of Allen's beloved Arkansas community and the public media family at his passing and extend our deepest sympathies to the Weatherly family.
